A museum evening ©

The Maison de la Recherche, a magnificent mansion in the embassy and ministry district of Paris, invites you to combine culture and gastronomy for an evening.

Thanks to our partner Art&Thème, enjoy an architectural visit or privileged access to the permanent and temporary collections of the museums in the neighbourhood before gathering for an excellent dinner.

— MUSEUM VISIT : Rodin, Maillol or the Musée des Lettres et Manuscrits

The Maison de la Recherche is close to the Rodin and Maillol museums and to the Musée des Lettres et Manuscrits. Enjoy a guided visit to one of these nearby museums with a lecturer. This gives access to exceptional permanent collections and temporary exhibits.

Complete the success of the evening with a friendly and elegant dinner served in one of our event rooms or on the terrace—with exclusive use for the occasion.

— ARCHITECTURAL VISIT

A lecturer leads an original historical exploration of the 7th district, taking you as far as Les Invalides.

Then enjoy a friendly and elegant dinner served in one of our event rooms or on the terrace—with exclusive use for the occasion.
